foreword

Man must understand the world about him because he meets it face to face. Man must conquer space simply because it is there. For such achievement man needs a wealth of training and experience that has been developed over a foundation of strong and sturdy building blocks that create the very framework of our existence.

Looking toward the space age, students need these sturdy foundations more than ever. Whether it is subject matter or personal integrity, perseverance or mental alertness, training skills or faith in God and man—each is a stepping stone for the student's framework of life. To the graduates, we of the 1961 Trojan staff express the hope that each one has used solid building blocks to develop a lasting framework for the experiences that lie ahead.

These are the building years. Man busy with space development, students occupied with the acquisition of knowledge and skills, architects, engineers, and administrators eagerly engaged in the construction of a new building—a new assembly of building blocks for the new age. With these basic facilities man must courageously face the space age because it is there.

TALENT DAYS

SADIE HAWKINS

Sadie Hawkins County Fair was the theme of this year's Sadie Hawkins Dance. Many different colored vegetables decorated the walls surrounding the fair. After an exciting greased pig race, the hungry couples were served refreshments. Square dancing with music by the Chex concluded the happy occasion.

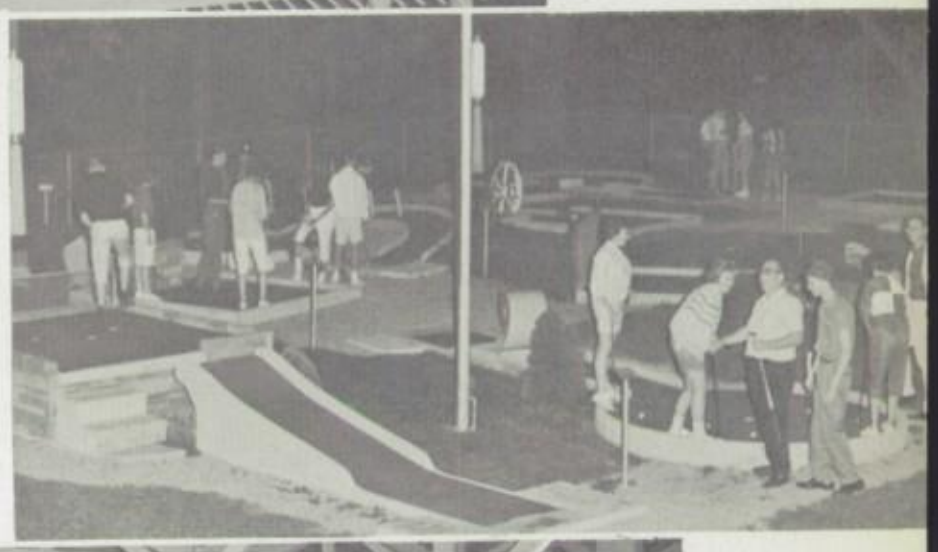
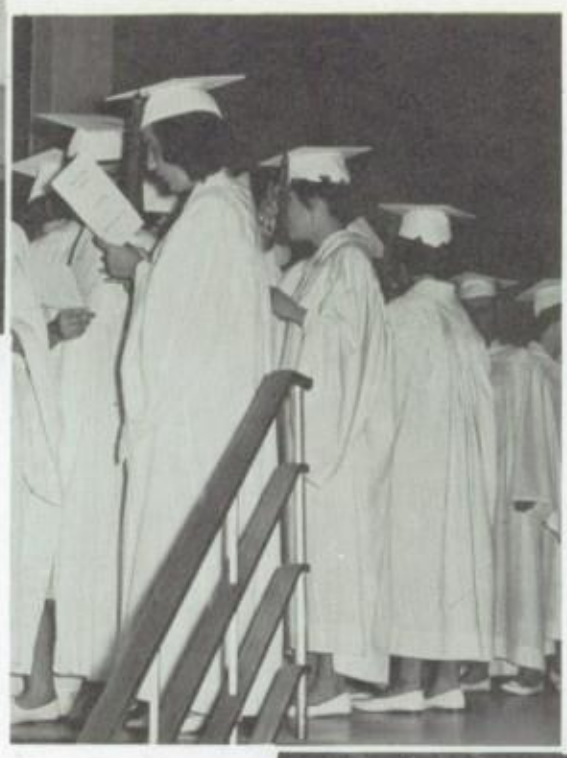
junior-senior prom

An exotic and tropical atmosphere was created at this year's Junior-Senior Prom. The theme of "Tropicana" was developed to its fullest through the efforts of the junior committees. The elaborate decorations were accented by an island hut nestled among the tropical vines and palm trees. Music for the occasion was furnished by Ernie Duffield and his orchestra.

post prom party

The all night Post Prom Party, sponsored by various service clubs and organizations in the Findlay area, featured trips to the roller skating rink, swimming pool, miniature golf course, and bowling lanes. The night was topped off with a full length movie, "Damn Yankees", and a breakfast at the Boy Scout camp.





baccalaureate

Baccalaureate Services for the Class of 1961 were held on June 4, in the Findlay Senior High School auditorium. The scripture was read by the Reverend R. W. Faulkner, pastor of St. Paul's Evangelical United Brethern Church; the prayer was given by the Reverend Ernest N. Bigelow, pastor of the First Presbyterian Church. The main speaker was the Reverend Robert A. Kramer, pastor of the Howard Street Methodist Church, who spoke on "The Abundant Life". The Reverend Don S. Grant, associate pastor of the First Methodist Church, gave the benediction.

One of the outstanding service organizations in this school is the Junior Red Cross headed by Mrs. Hope, the faculty sponsor. This group, combined with the Hancock County Red Cross, has completed many useful projects. One of these services was a collection for use in needy foreign countries.

pi delta i club

Additional study of the field of mathematics is offered by the Pi Delta i to those students who are interested in sharing in its activities. The members of this club also participated in a three-day trip to Chicago. As a conclusion to the year's activities, the club presented the annual award to the outstanding senior math student. This year the Pi Delta i was under the guidance of faculty sponsor Howard Yawberg and was presided over by Gregg Fellers.

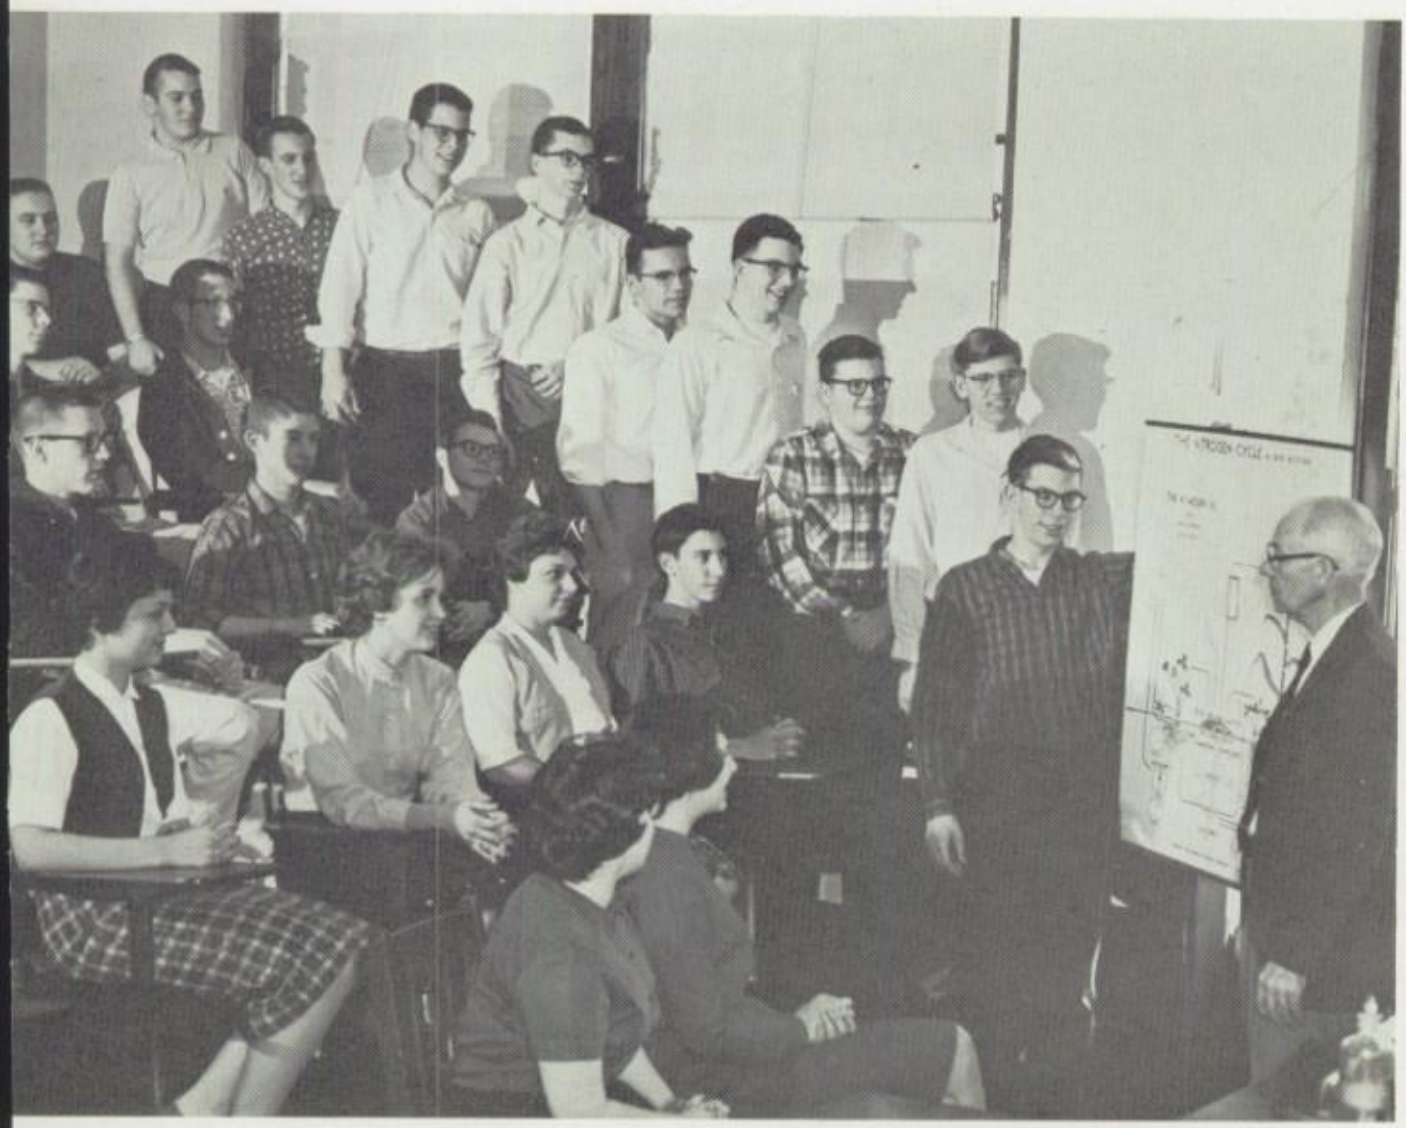
The Sophomore Math Club, with its objectives to stimulate interest in math and to serve as an incentive to further study in that field, gave demonstrations in the use of the slide rule, in the mechanics of the chess game, and in the solving of various mathematics puzzles to those who were members. Dick Deerhake served as president of this club, and Mr. Repp was the faculty sponsor.

chemistry club



Those who are exceptionally interested in chemistry may find extra knowledge of the subject in the Chemistry Club. This year's club selected Ted Angus as their president, and Mr. D. D. Lawrence was club sponsor. Their goal was to improve their knowledge of chemistry and its applications to modern living and to enjoy science through planned programs. Among these planned programs were the "Magic Barrel" demonstration, a trip to the Eastman Kodak Co.,, and a trip to the Hancock Brick and Tile Company.

FIRST ROW: (Seated L. to R.) : P. Shanks, K. Child. SECOND ROW: S. Kuck, K. Bondhus, P. Powell, J. Halkyard. THIRD ROW: D. Bonnell, T. Atkins, S. Switzer. FOURTH ROW: J. Wittenmyer, R. Smith. projectionists

We're all glad to have a movie in our classes or in an assembly, but we seldom notice the skilled projectionists who make it possible. These boys are always ready and able to set up the machine, show the films, and quite often even mend them whenever they are in need of repair.

Some of the unsung heroes of Findlay High are the ever-faithful concession workers. These boys provide us with food in which to drown our sorrows when we lose a game or to give us food with which to celebrate when we win one.

During the past year the "Blue and Gold" staff, through no fault of its own, has had to overcome many difficulties and adapt itself to new surroundings due to a change in print-shops. Although this situation was a little less than a calamity to staffers, "the voice of Findlay High" carried on its eighteen-year record of never failing to meet a dead-line. In March the "Blue and Gold" was recognized for maintaining its high standards when it won the seventh consecutive CSPA "medalist" rating, the highest award given to high school newspapers.

Cards have been sent to all members announcing the project. These must be returned, stating the day each member can work. All those who do not participate will be assessed a fine of 25 cents.

The finance committee of the Anchor is sponsoring the work days to obtain funds for needed equipment. Adult advisers of the committee are Herbert Ewing and B. B. Miller.

Findlay residents who have jobs for the teen center members are requested to call the Anchor on the specified dates.

He pointed out that the drawings call for a gymnasium with a 3,000 spectator capacity, a student assembly room, a separate vocational and industrial building, and areas for other special subjects. The property will include recreational and practice fields, and student parking facilities.

The new building will be furnished with the most modern heating, plumbing, ventilation and lighting systems.

According to the Findlay Citizens Committee for Better Schools, the bond issue will be paid for by a tax increase over 23 years. The average increase during that period will be 3.8 mills.

34 Students To Assist With Play Production

Thirty-four juniors and seniors will serve on 10 committees aiding in their joint class production of "The Diary of Anne Frank," to be presented here Nov. 18.

The appointments were made by the play director, Mrs. Frances Weith, and her student assistant, Lois Reimund.

The collection of stage properties has been assigned to chairman Nancy Jackson and a committee consisting of Scott Groves, Carol Anderson, Judy Ault, Nancy Harris, Diana Roth, Janet Fields, Paula Pletcher, Carol Frantz, Darlene Gannon and Gary Routson.

Heading the costume committee will be Emilia de la Pena, assisted by Joanne Hobbs, Barb Dawkins, Peggy Shank, Jane Yates and Vicki Hall.

In charge of make-up will be a committee led by Jean Susko, chairman, with Bev Fisher, Emma McLaughlin, Vicki Myers and Sondra Baldwin.

Les Bowman will be in charge of lighting, along with Del Hetrick and Larry Krauss.

Joseph DeLuca and his art classes will prepare the scenery, while Sharon Kaufman will supervise the sound effects.

Sue McManness will head the publicity committee. Her colleagues are Pat White, Kathy Child, Cindy McDowell and Mary Carol Perrott.

Dave Drost will serve as stage manager, and Tammy Hunt will act as prompter. Mrs. Weith said other appointments will be made as the need arises.

Mary Carol Perrott
Assistant Editor

Since the first meeting of the Trojan editors in the fall of 1960 when plans were formulated for the new yearbook, the staff through persistence and hard work has seen the 1961 Trojan become a reality. Setting up picture schedules, preparing the pages and selecting pertinent art work, proof-reading, and editing copy were some of the time-consuming tasks for Mike McMenamin, energetic editor-in-chief, his capable assistant, Mary Carol Perrott, and the efficient departmental editors, all under the able guidance of Fred Brandenberger, yearbook adviser. Your F. H. S. 1961 Trojan is the result of the teamwork of this staff and the cooperation of the faculty and student body.

This year the Trojan cagers found themselves pitted against very strong competition. Superior height and more varsity experience were insurmountable obstacles. However the excellent experience gained should stand them in good stead in the coming season. With the exception of senior letterman, Mike Lanning, Coach Werley's squad will return next year hoping to improve their 5-13 record which landed them in fifth place in the Buckeye Conference.

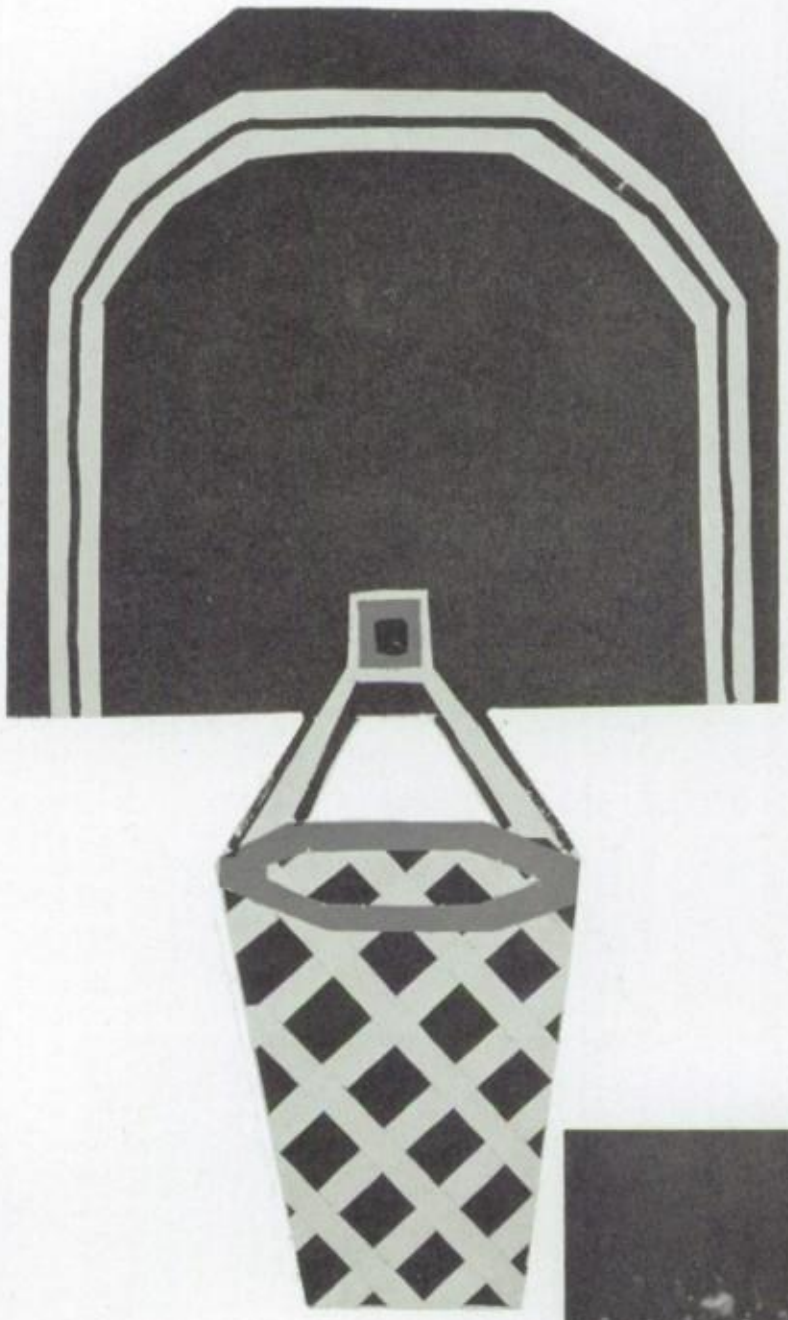
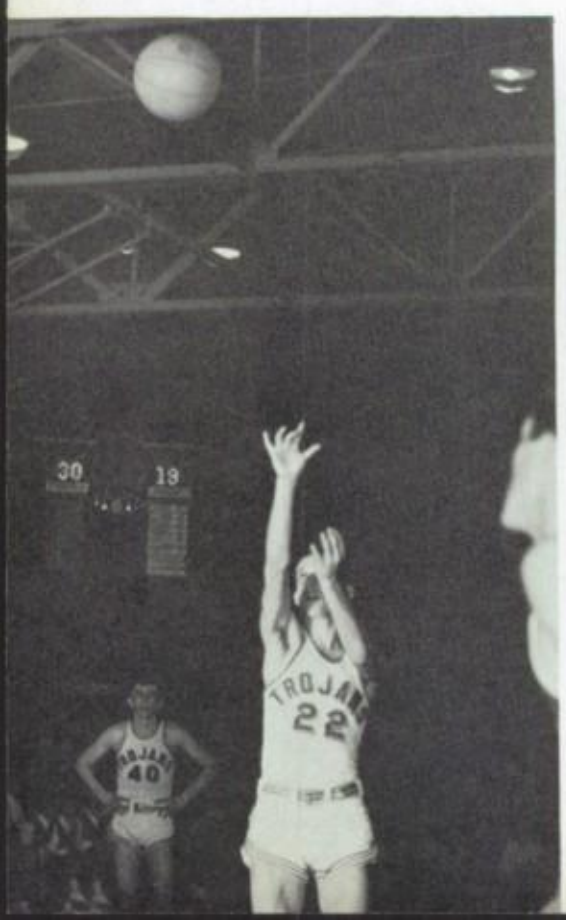
Mike Lanning, the only senior on the 1960-61 basketball squad, was voted honorary captain for the season by his teammates. Mike's determination, persistence, and sportsmanlike attitude were a steady influence on the younger members of the squad.

Marty Hartman was the leading rebounder and scorer of the Trojan basketeers. He averaged throughout the season 11 points per game and achieved a total of 220 points for all games. Marty's outstanding games were the two played against Elyria in which he tallied 19 points in one and 20 points in the other. His record earned him a position on the 2nd team All Buckeye Conference and the title of most valuable player by his teammates.





Larry Yoxthimer (42) stretches for the tip.

The FHS swimming team, with Jim Repp as coach, was revived only three years ago after a lapse of nearly two decades. This year the aquamen with their 3-4 season broke several records and in each of the ten events bettered the times set last year. Two Trojan swimmers, Ken Bowman and Dick Alesch, members of a squad of lettermen, all of whom will return for more action next season, qualified for state competition. High point honors go to Steve Siford, a new addition to the squad.

FHS wrestlers, coached by Mr. Ippoliti, chose Bill Geiger and Paul Oren as co-captains, and throughout the season the squad maintained a 2-2 record. Three Trojan grapplers, Geiger, Spitler, and Collins went undefeated until the final meet in Toledo. At these district matches Denny Mantel placed fourth in the competitive ratings.

The track team this year enjoyed another successful season. Winning all of their dual and triangular meets, the trackers finished first in the Fremont relays, 4th in the Buckeye Conference meet and 7th in the district. Bob Traupe and Paul Oren set new marks in the shot put and broad jump, respectively, while a new mark was posted by the 880 yard relay team.

The 1961 Trojan Tennis Team posted one of the best seasons yet recorded under Coach Jim Howe. Boasting only one letterman at the beginning of the season, and playing a starting sqaud composed entirely of underclassmen, the netmen recorded a fine record of seven wins and two losses. Conquests of such tennis powers as Ottawa Hills and Marion Harding highlighted the season.

FINE ARTS

PLAIN AND *fancy*

OSCAR JONES

For its annual operetta, the music department presented "Plain and Fancy", by Loerner and Lowe. The musical depicted the strange, sometimes comical, turn of events that took place in an Amish community when two New Yorkers came on the scene.

The cast members were: Dan King (Jim Scothorn), Ruth Winters (Lois Reimund), Papa Yoder (John Long), Katie (Cindy Tyo), Ezra (Jim Frederick), Peter (Paul Roberts), Hilda (JoAnn Moorhead), Isaac (Bill Donnell), and Emma (Judy Stevenson).

W. Oscar Jones was director, assisted by Donald Jefferies and Alexander Baluch.

Walters, L. Miller.

An organization, well-known not only to students but also to the entire community, is the FHS Choir. Under the direction of Donald Jefferies, the choir's schedule includes such performance dates as chapel services, Christmas concerts, spring music festival, and the operetta in March. Again this year the choir has been an unceasing source of pride to students and faculty of Findlay High.

It has become a rare thing in high schools to find a truly fine orchestra. In this respect, Findlay High School is not lacking, for among its many fine musical organizations is found a talented and versatile orchestra. The mid-winter and spring concerts are a feature of the orchestra's busy schedule which also included duty as a pit orchestra in the annual operetta. The orchestra is directed by Mr. Oliver Schumacher who is retiring this year after 21 years in the Findlay school system.

FACULTY

administration

From the superintendents' offices through the principals' offices, the chief aim and purpose has been to establish and regulate the best possible offerings for senior high school students. To maintain smooth operation of all school functions with an ever-increasing population has not been an easy task, but it has been ably managed by our administration.

"Learning is the light of life." Through good speech, good writing, and thoughful interpretation of what is read, each student is able to express himself more fluently and is better equipped to meet the demands of business, industry, and society. English is vital to every course of study, and the English department of FHS may be proud of the high standards of learning it has maintained for its youth.

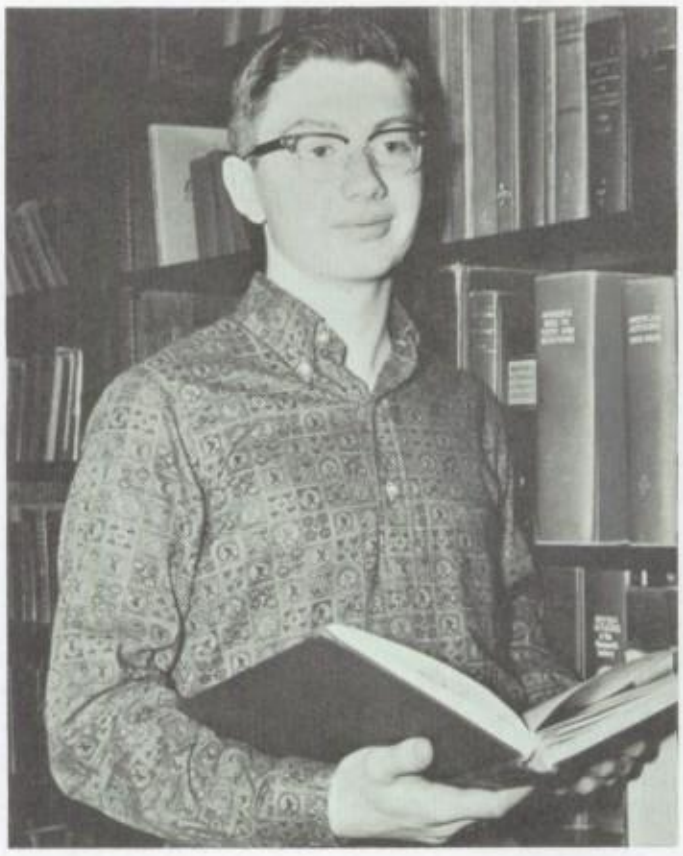
TRIUMPHS

triumphs

Recognizing the need to provide lasting recognition for those Findlay High School students who have earned outstanding honors this school year, the editors of the 1961 Trojan have inaugurated this Triumphs section to fill that need.

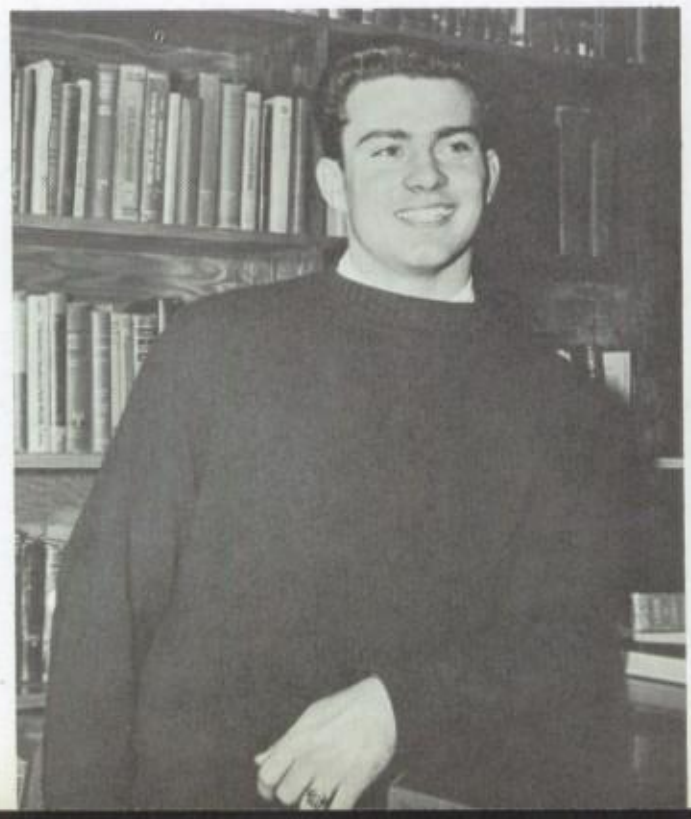


Senior Duane Smith was named a finalist in the 1960-61 National Merit Scholarship program and received a Certificate of Merit in recognition of this honor. An outstanding student throughout his high school career, Duane's persistently high grade average aided him in the attainment of this notable scholastic achievement.

Chuck Collins, recognized as the most valuable defensive lineman on the Trojan football team, received another honor when he was appointed to the All-Buckeye Conference Football Team. A senior, Chuck has made a distinguished athletic record during his three years on the varsity.

From this year's football squad senior Paul Oren has been named to the second All-Buckeye Conference team. Further recognition of this valuable back was given when he was awarded honorable mention at state level.

Bob Burkmier, a senior in the vocational department of Findlay Senior High has presided over the Vocational Industrial Clubs of Ohio during the past year. Bob was elected president of the state organization at its fall conference held at Ohio State University.

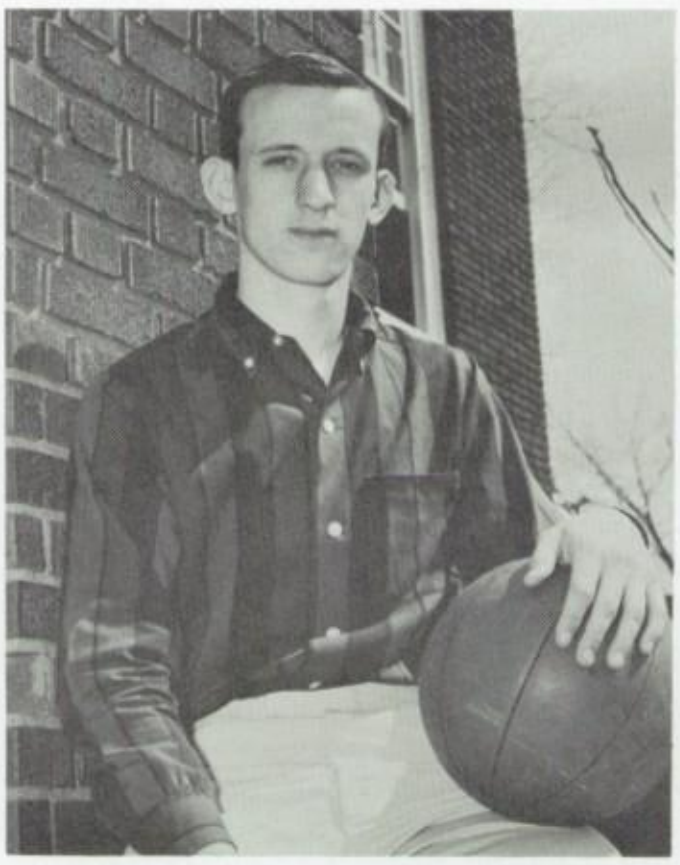


A musically gifted senior, Martha Treir, was chosen to perform as a member of the All-State Orchestra when it presented its annual concert in Columbus at the Music Education Convention in April. She is one of the ninety students and one of the two clarinet players chosen to play in the orchestra.

Findlay High School will receive a foreign exchange student in the fall of 1961 largely because of the joint efforts of John Burson, John Morgan, and Ron Holden. These Key Club members were the instigators of the project and have donated a considerable amount of their time to making the program a success.

Junior Achiever Dee Thauborn placed first in the Junior Achievement Toledo Area sales contest. She was selected on the basis of her ability to sell her product. In the state regional contest Dee demonstrated her sales techniques before the Toledo Sales Executive Club where she won third place.

Connie Cole, Senior Tri-Hi-Y member, and Mary Shelley, of the Junior Tri-Hi-Y, were honored at the annual Youth-in-Government program in Columbus by their election to the offices of Clerk of the House and Chaplain of the House, respectively. Their appointments to these positions were the results of much effort and active participation in Tri-Hi-Y.



Marty Hartman, named Most Valuable Player on the Trojan basketball squad, received further recognition for his outstanding athletic prowess when he was appointed to the second team, All Buckeye Conference. This honor was one of the high spots in the busy junior's notable athletic career.

Senior Mike Mitchell was elected treasurer of the Ohio Association of Distribution Education Clubs at the annual state leadership conference held in Columbus in March. This active DECA member was then entitled to attend the National Leadership Conference in Chicago as a voting delegate.

SUPERIOR

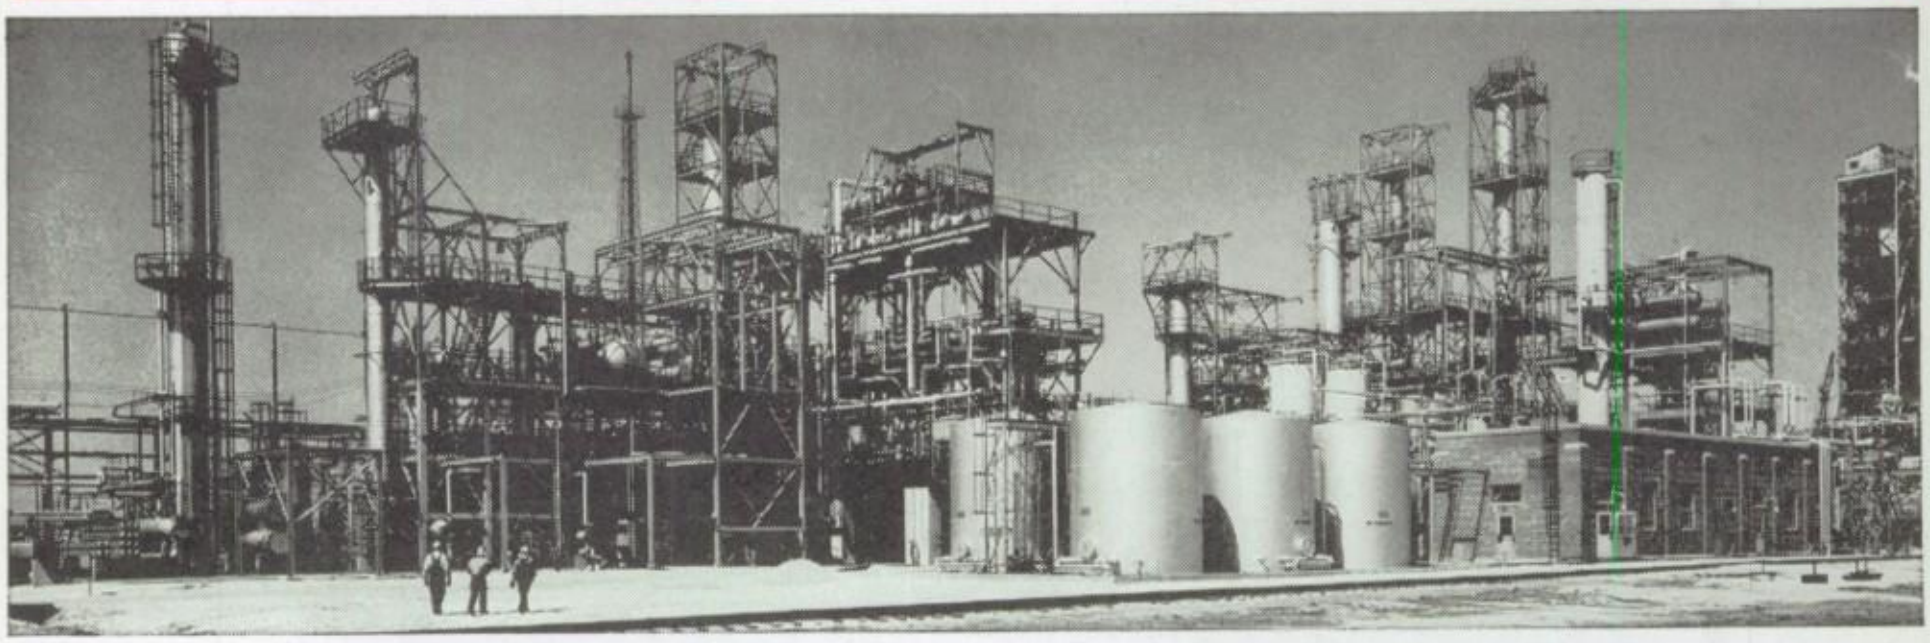
CLEANERS & FURRIERS

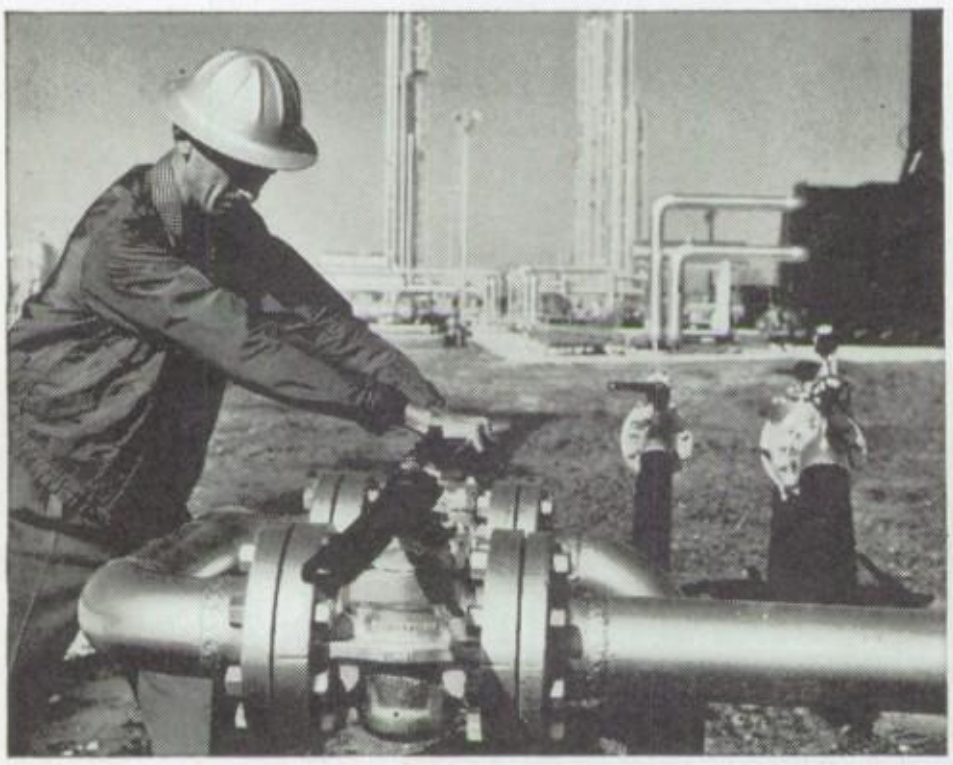
Lima and South Main

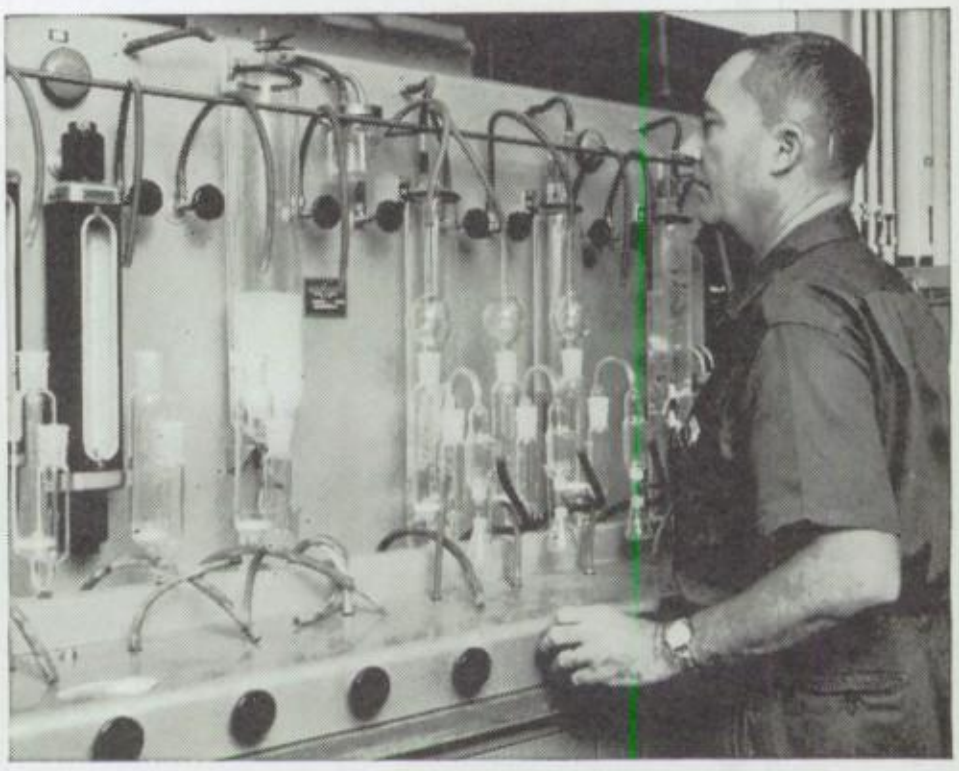
Findlay, Ohio

In the 1860's,

crude oil was "refined" simply by distilling it — just to get kerosene for the coal-oil lamps of the day. Everything else was thrown away as "worthless."







Modern refining extracts miracles from "crude"

Since crude oil was first "harnessed" by man, the art and science of refining it has taken giant steps ahead.

Today, virtually every ounce of usefulness is wrung from this precious raw material. And nowhere is it achieved with greater skill and under more ideal conditions than at Ohio Oil Company's modern Robinson (Illinois) Refinery.

Here, distillation first separates the "crude" into components. Then, through such processes as thermal and catalytic cracking, reforming, polymerization, coking and alkylation, the very molecules of these substances are altered and rejoined in wondrous ways to create new products.

These include Ohio Oil's superior Marathon SUPER-M® and MILE-maker® gasolines, a variety of fine burner fuels, kerosene and diesel fuel. They utilize over 90 per cent of the original crude oil. Much of the remainder is petroleum coke, a pure form of carbon valuable in refining aluminum. The small volume of gases not used in products is used as fuel in the plant.

Such efficiency typifies Ohio Oil Company operations — and is a dramatic example of the kind of industrial progress made possible by our American system of free enterprise.
